

Roadway Interruptions - UniverCity Development

SFU Community Trust advise that as part of the UniverCity Development, roadway interruptions can be expected as follows:

WHERE:

1. University Drive East
2. East Campus Road
3. Highland Court
4. University Crescent

Please refer to the map below.

WORK TO BE COMPLETED:

UniverCity Parcels (sites) 23 & 24 will be cleared of brush and soil for construction. This will involve large equipment and vehicles travelling to/from the sites via campus roadways.

WHEN:

1. Work has begun on Parcel 24.
2. Work is expected to begin on Parcel 23 during the week of October 24th.

EXPECTED INTERRUPTIONS:

1. Motorists will encounter an increase of construction vehicles on campus roadways (University Drive East and East Campus Road).
2. Traffic delays and detours can be expected along Highland Court and University Crescent.
3. Pedestrians may be detoured to use other pedestrian routes in the area when travelling between the SFU campus and UniverCity.

COMMENT:

Transit bus service is not expected to be interrupted by these projects. Regular bus routing will be in effect.

Watch for construction vehicles, equipment and personnel in the vicinity of the above areas. Your attention to temporary directional signs, speed signs and traffic control personnel is appreciated.

If you have any questions with regard to the above notice please contact Mike Spencer at 778-782-3866 or by e-mail spencerf@sfu.ca.
